To discuss a pilot project and to see how Smartshoring could work for you, get in touch today.

What is Smartshoring™ and how can your business benefit?

Offshoring, redefined and evolved by Amnet has led to the creation of Smartshoring™.

It's the effective use of the best talent wherever they may be, essential for Agencies and Brands alike to stay competitive, increase profits and accelerate growth. Our team of highly skilled staff act as an extension of your business providing clear, concise communication and unparalleled quality.

How we work

We blend our studios in Chennai with in-country client services teams and run an Agency Partner Model, with specific rates. Our agency partners often require scalable, flexible and low cost resource and with our streamlined processes, we ensure our partners and their clients have a seamless experience on every project.
