

Pioneers in Global Offshore Premedia Production.

Increase speed to market; lower internal cost of ads, brochures and all print marketing material.

The ongoing search for improved service and better value continues with an exciting new premedia model that replaces the need for highly-staffed freelance or in-house support. Ads, brochures, reports and marketing materials of every kind are increasingly being prepared to brand guidelines' specification for print or e-commerce.

Benefit from our Smartshoring® model for all your ad and marketing campaigns and access:

- **40%** Cost Savings
- **60%** Faster Turnaround With Our Global Team, 24/7
- **20 Years** of Industry Experience
- **1200+** Highly Skilled Staff

Ads, Brochures, Financial Reports

No matter what your end use, our team of page-build specialists can produce the following marketing materials to support your campaigns:

- Ads and ad inserts
- Financial and Research Reports
- Brochures, Sell Sheets, and FAQs
- Power Points and Presentations

Whether you need simple pours of content into a template or complex builds of column graphs and plotted charts our layout specialist and page build operators are at the ready. Working in Adobe Illustrator or InDesign we routinely prepare marketing material exactly the way you want.

How does Smartshoring® work?

We blend our studios in Chennai and Mumbai with in-country client services teams to support our brand partners with their in-house and outsourcing requirements. Our partners often require scalable, flexible and low cost resources and with our streamlined processes, we ensure our partners receive competitive rates and have a seamless experience on every project.
